SBD-ANATCON 2018

**41st ANNUAL CONFERENCE OF ASSOCIATION OF ANATOMISTS
TAMIL NADU.**

VENUE :

**SREE BALAJI DENTAL COLLEGE & HOSPITAL,
CHENNAI.**

DATE :
13th & 14th OCTOBER 2018

Dear Colleagues,

The Association of Anatomists, Tamil Nadu, was started in 1976. Every year this Association is conducting an Annual Conference as well as Competition for UG & PG students, so that we can exchange our knowledge and ideas to improve our skills. This year the association has given us an opportunity to host the Conference at **SREE BALAJI DENTAL COLLEGE & HOSPITAL**, Pallikaranai.

We, the organizing committee of SBD-ANATCON 2018, with immense pleasure, invite you all to attend the 41st Annual conference of “Association of Anatomists, Tamil Nadu.”

Bharath Institute of Higher Education and Research (BIHER) is providing multi-stream, multi-cultural and high quality education to nearly 10000 students from around the world.

Sree Balaji Dental College & Hospital was established in the year 1989. It is one of the premier educational institutions offering quality and affordable Dental care in India. Located in the capital of Tamil Nadu, Chennai, the college is dedicated to training doctors of dental medicine as expert clinicians with strong biomedical backgrounds.

The Department of Anatomy was established in 1989 by **Prof. Dr. Helen Rodricks** an extremely passionate anatomist, followed by **Dr. Anantha Raman Iyer** who added colour and glory. Successive professors, **Dr.Thiruvengadam** and **Dr.Kamalesh Sundaeswaran** have contributed enormously for the development of the department. In the year 1999, **Prof. Dr Kamalesh Sundaeswaran** MBBS, MS (Anatomy), took over as the head. She is a dynamic, acclaimed teacher of Anatomy. Her prior experience in Tamil Nadu Govt. service endows her with an abundant academic and administrative knowledge. She continues to serve as the Emeritus Professor of our prestigious institution. The team comprises of extremely dedicated and experienced senior faculties and energetic young staff members.

We are delighted to host this event and hope this conference will open the gates to the vast advances in the field of Human Anatomy. We have a congregate of sessions featuring various up-to-date scientific paper discussions and posters accompanied by an overview on the role of technology in the era of contemporary Human Anatomy teaching.

We look forward to see you all at **SBD-ANATCON 2018** at **SBDCH**, Chennai. We assure you the best ambience, academic excellence and hospitality. Your presence would enrich our experience and help us to make this event a grand success.

Organizing Secretary & Head of the Department

Prof. G. SUMATHY
