# SANCON - 2012

## 35<sup>th</sup> Annual Conference of Association of Anatomists Tamil Nadu

Venue : Saveetha Medical College  
Date : 13<sup>th</sup> & 14<sup>th</sup> October 2012  
Place : Chennai

Dear colleagues,

We the Organising committee members of SANCON 2012, have the pleasure of inviting you for attending the 35th annual conference of the Association of Anatomists, Tamil Nadu.

The venue for the conference is Saveetha Medical College, Thandalam, Chennai – 602 105.

Saveetha Medical College is situated between Poonamallee and Sriperumbudur at Saveetha Nagar, Thandalam, Chennai. The campus spreads around 100 acres opposite to beautiful Chembarambakkam lake.

Saveetha Medical College was first incepted in the year 2008. Within shortspan the college has established itself with good standards and rankings among other Medical Colleges in India.

It has its sister institutions like The Pupil Eco School, Dentistry, Nursing, Physiotherapy, Law, Management and Engineering.

Saveetha Medical College motivates and encourages students and faculty for their achievements in the field of Academics and Research.

For recreations, Themeparks like Queens land, EVP world are located close to the college.

Rajiv Gandhi memorial is situated at close proximity from the college campus.

In Sriperumbudur and Kancheepuram there are famous historic temples which can be accessed by short drive.

We warmly welcome you to attend the conference and make it a grand success. We assure you the best hospitality.

Expecting your esteemed presence for the conference

With regards

**Prof. Dr. P.SARASWATHI**  
Organising Secretary

### ABOUT THE DEPARTMENT:

Department of Anatomy started in 2008 with qualified and experienced faculty members with research background. Innovative learning and teaching methodologies have been adopted for future professionals. The department has made rapid strides in modular teaching and research activities in past 5yrs. It has received funds from Defence Research and Development Organisation (DRDO) and the department is currently working in stem cell research, white matter tractography and quantum anatomy. The department has numerous national and international publications to its credit.

### ABOUT THE CONFERENCE:

Conference focuses on modern applications that are currently applied in fields of anatomy like:

- ❖ HISTOLOGY
- ❖ MEDICAL EDUCATION
- ❖ OSTEOLOGY
- ❖ GROSS ANATOMY
- ❖ RADIOLOGY
- ❖ STEM CELL THERAPY
- ❖ EMBRYOLOGY
- ❖ CLINICAL ANATOMY
- ❖ CYTOGENETICS
- ❖ NEURO ANATOMY
